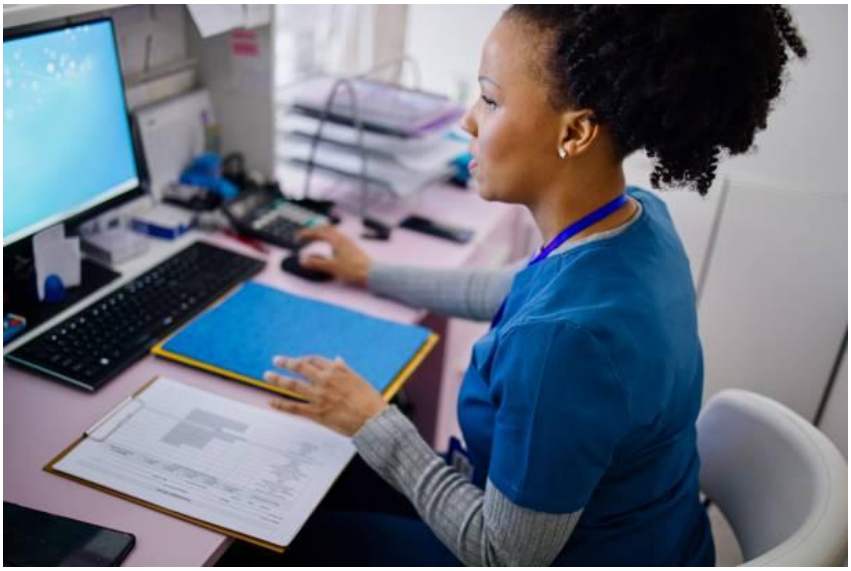
Whether you're an experienced professional or looking to get started, this is your chance to join a high-performing team that values compassion, professionalism, and education.

Located in the heart of Southern California, PDRE offers **Medical Assistant jobs in Palm Desert, CA** for qualified candidates looking for flexible, rewarding, and long-term employment.



What Does a Medical Assistant Do in a Clinic?

One of the most common questions aspiring professionals ask is:
"What does a medical assistant do in a clinic?"

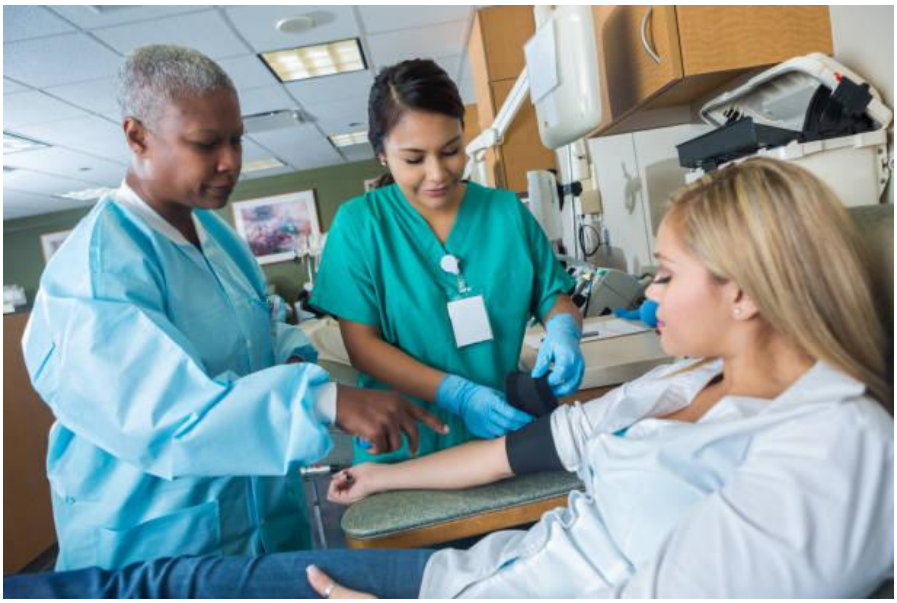
A **Medical Assistant (MA)** performs a variety of **clinical and administrative duties** to support physicians, nurses, and other healthcare professionals. These responsibilities ensure smooth patient experiences and efficient day-to-day operations in medical offices, clinics, and specialty practices.

Key Medical Assistant Duties Include:

- Taking and recording vital signs such as temperature, pulse, and blood pressure
- Greeting patients, taking medical histories, and preparing them for examinations
- Assisting in minor medical procedures and injections (as permitted by law)
- Collecting and preparing lab specimens
- Maintaining electronic health records (EHR)

- Scheduling patient appointments
- Coordinating referrals and **insurance billing**
- Managing medical supply inventory

These essential tasks make **Medical Assistants** the backbone of outpatient and clinical healthcare delivery.



Medical Assistant Training & Certification:

Are you looking into **how to become a certified medical assistant**? While PDRE does not require certification for all roles, having **Medical Assistant certification** is a huge plus. Completing a formal **Medical Assistant training** program demonstrates your commitment and gives you a competitive edge in today's job market.

If you're researching the **best medical assistant training programs near me**, focus on schools that provide hands-on learning, externships, and strong faculty support. These programs will prepare you for national certification exams like CMA (AAMA) or RMA (AMT).
